

Hello Everybody
I hope you are Ok?

This is the last video that I am going to make for virtual i-design this academic year, and this video is about celebrating successes and in particular I would like to celebrate our successes.

And by this I mean the successes of Kambara Sensei and Yukimaru Sensei and you the 多様な世界 members of i-Design.

I remember the very first introductory video that I made for virtual i-Design and I had no idea what I was going to do or how we, as a team, were going to bring diversity to your homes.

But throughout this very strange academic year during COVID-19 we have successfully, if we include the introduction and our guest speaker, we have successfully made 19 videos.

15 videos are specifically for the 多様な世界 field of studies.

And also, we have made a book list and DVD list, we've talked about lots of topics, we've had lots of fun, and we've listened to lots of music.

Video number one was about rainbow children and Captain Tom Moore, (Captain Tom).

Captain Tom was born April the 30th 1920 and he died the 2nd of February 2021 aged 100.

Captain Tom decided to walk 100 lengths of his garden to raise money for the National Health Service in the UK.

His goal was to raise £1000 but the actual money he raised was over £30 million.

Captain Tom shows us that when we are determined enough, we can achieve the impossible.

So, captain Tom, I salute you.

April 2021.

What can we do for you when you all arrive?

Well, we can create a sense of community for you, a sense of inclusion, we can have fun, there will be lots of laughter, lots of music.

And..... Pink!

There will be lots of pink.

The song that I will leave you with today is by the famous rock band 'Queen', Freddie Mercury is one of my favorite singers ever, and the song is called 'Don't Stop Me Now'.

Until April, thank you very much, and I'll see you in April.

Bye

Lyrics

Tonight I'm gonna have myself a real good time
I feel alive
And the world, I'll turn it inside out, yeah!
I'm floating around in ecstasy
So, don't stop me now
Don't stop me
'Cause I'm having a good time, having a good time
I'm a shooting star leaping through the sky
Like a tiger defying the laws of gravity
I'm a racing car passing by, like Lady Godiva
I'm gonna go, go, go
There's no stopping me
I'm burning through the sky, yeah!
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm travelling at the speed of light
I wanna make a supersonic man out of you

Don't stop me now
I'm having such a good time
I'm having a ball
Don't stop me now
If you wanna have a good time, just give me a call

Don't stop me now ('cause I'm havin' a good time)
Don't stop me now (yes, I'm havin' a good time)
I don't wanna stop at all

I'm a rocket ship on my way to Mars
On a collision course
I am a satellite, I'm out of control
I am a sex machine ready to reload
Like an atom bomb about to
Oh, oh, oh, oh, oh, explode

I'm burning through the sky, yeah!
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm travelling at the speed of light
I wanna make a supersonic woman of you

Don't stop me, don't stop me, don't stop me
Hey, hey, hey
Don't stop me, don't stop me, ooh, ooh, ooh
I like it
Don't stop me, don't stop me
Have a good time, good time
Don't stop me, don't stop me

Ooh, I'm burning through the sky, yeah!
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm travelling at the speed of light

I wanna make a supersonic man out of you

Don't stop me now

I'm having such a good time

I'm having a ball

Don't stop me now

If you wanna have a good time, just give me a call

Don't stop me now ('cause I'm havin' a good time)

Don't stop me now (yes, I'm havin' a good time)

I don't wanna stop at all
